## **Report of the Cell**

- **Orientation to Grievance Redressal Cell:** During the orientation programme, students were oriented to the procedures to be followed in case they wished to convey their grievances.
- One grievance received during the year was regarding the change in recess timings. Students wanted a recess at 11 am instead of 10 am. As this was not representative of the choice of majority members of the class, this grievance could not be accepted and the timings of recess remained as before.

## Action Taken Report

No	Grievance and action taken	Date	Committee members involved in decision making
1	<p>Recess timings be adjusted to 11 am instead of 10 and 12.10 pm.</p> <p>Action Taken: the grievance was put forth by few students. Views of entire class were solicited. Majority students preferred the former timing of break at 10 am and at 12.10 pm. So the original timings were unchanged. The decision was conveyed to the students who had suggested the change and it was accepted by them.</p>	31/03/2022	Principal Dr Mabel Pimenta and faculty member Dr Sheetal Chaudhari
